

JUMBOPAPERCUTTER

“Heavy duty large format cutting!”

Easy to Operate!

The benefits of the INPRO Jumbo paper cutter

The cost- and timesaving solution for cutting large format materials, which means in practice:

- materials do not need to be folded in two and consequently do not incur damage
- the materials can be turned in the machine which saves up-to 40% in time
- cuts paper, plastic, film, PVC, polystyrene, cardboard and a variety of other materials, whereby the machine's stable steel construction guarantees an extremely high-quality cut
- it enables you to trim materials rapidly
- heavy duty backtables and parallel fence for a more accurate and clean cut
- full hydraulic system enables to cut higher stacks of harder plastics
- all stainless steel air-cushion air table covers for an easier movement of heavy materials
- easy to operate, reliable and provides for a high productivity
- cutting edge light to clearly indicate the cutting line
- computer with 3 operating systems: manual - repeat - automatic (with 99 programs)
- high quality knife
- safety regulations met by backcovers, two-hand control, a light barrier, safety device and full hydraulic system
- as a result of these advantages, in combination with an economic pricing, we offer you an optimization of your finishing process
- CE approved

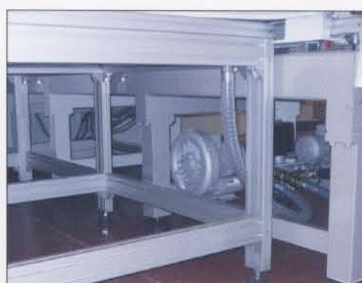

Options: hydraulic table and extra air tables

Type	jumbo 200	jumbo 260	jumbo 320	jumbo 360	jumbo 400	jumbo 450
Cutting length	2000 mm (78")	2600 mm (102")	3200 mm (126")	3600 mm (141")	4000 mm (157")	4500 mm (177")
Cutting height	100 mm (3,9")					
Parallel fence	200-2000 mm	200-2600 mm	200-3200 mm	200-3600 mm	200-4000 mm	200-4500 mm
Front table size	max. 800 mm (31")					
Pressure beam	2 hydraulic cylinders, electr. motor, hydraulic pump, 2 pressure stages and variabel					
Knife beam	1 hydraulic cylinder, ectr. motor, hydraulic pump					
Total power	8 kW	11 kW	11 kW	13 kW	15 kW	15 kW
Weight	4000 kg	5000 kg	6500 kg	7300 kg	8000 kg	9000 kg
